HOME INFORMATION				
Electric Heat Source: <input type="checkbox"/> Baseboard <input type="checkbox"/> Heat Pump <input type="checkbox"/> Ceiling Cable <input type="checkbox"/> Wall Unit <input type="checkbox"/> Forced Air Electric <input type="checkbox"/> Other _____				
Residence must have permanently installed electric heat system capable of heating entire dwelling to qualify.				
Residence Type: <input type="checkbox"/> Site Built Home (up to 4-plex) <input type="checkbox"/> Multi-Family (5 or more units, 3 stories or less)				
Rebate(s) apply to upgrades on existing homes only. New construction does not qualify.				

### INSULATION REBATE PROGRAM GUIDELINES

- All requests for rebate funds must be pre-approved. If the work is not completed within three (3) months of approval, customer must reapply for rebate(s). There is no guarantee that funds will be available after the three-month approval or that the incentive amount will remain the same. Rebate(s) are available on a first come, first served basis and are subject to availability of funds.
- **Before Installation:** Must submit an estimate of amount of square footage of insulation to be installed and verification of beginning insulation R-value.
- All energy efficient upgrades must be installed according to Douglas Electric Cooperative specifications.
- Wall insulation: in-progress photographs are required for open cavity installations before, during and after photos of wall insulation.
- **After Installation:** final inspection is required. Call 1-888-883-9879 to schedule.

SITE BUILT INSULATION REBATES			
Type	Existing Insulation	Final Insulation	Rebate
Attic	Less than R-11	Minimum R-38	\$0.60 per sq ft
	Between R-11 and R-19	Minimum R-38	\$0.20 per sq ft
Floor	Less than R-11	Minimum R-30 (or fill joist cavity)	\$0.25 per sq ft
Wall	R-0	Minimum R-11 for closed cavities	\$0.50 per sq ft
		Minimum R-15 for open cavities	\$0.50 per sq ft

MULTI-FAMILY INSULATION REBATES			
Type	Existing Insulation	Final Insulation	Rebate
Attic	Less than R-11	Minimum R-38	\$0.60 per sq ft
	Between R-11 and R-19	Minimum R-38	\$0.20 per sq ft
Floor	Less than R-11	Minimum R-30 (or fill joist cavity)	\$0.25 per sq ft
Wall	R-0	Minimum R-11 for closed cavities	\$0.50 per sq ft
		Minimum R-15 for open cavities	\$0.50 per sq ft

**Rebate(s) will not exceed 70% of the installed job cost.**

**Rebate(s) for self-installed energy efficient upgrades will not exceed 70% of the cost of materials.**

**Upon signing this agreement, customer acknowledges the following:**

Rebate offer(s) may be changed or discontinued at any time by Douglas Electric Cooperative (DEC). DEC disclaims any warranty, whether expressed or implied, regarding the energy efficient upgrade(s) listed on this application for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use.

I understand that the energy efficient upgrade(s) must be installed to DEC specifications, and certify that I, or my contractor, have reviewed the specifications prior to beginning work. When selecting a contractor, I understand that it is the homeowner's responsibility to request proof of insurance and licensing that meets the statutes and rules of the Oregon Construction Contractors Board. DEC strongly recommends validating qualifications before work begins.

I understand the above and certify that I am a member of DEC, that the energy efficient upgrade(s) are installed at the address indicated and that this address is within DEC service territory.

**SIGNATURE \_\_\_\_\_ DATE \_\_\_\_\_**

### REBATE APPLICATION DOCUMENTS

**Rebate(s) will be paid when DEC has received the following required documents:**

- Contractor installed: copies of **contractor final invoice(s)** showing the beginning R-value of the insulation, R-value of final insulation and square footage of added insulation
- Self-Installed: copies of **final receipt(s)** showing the beginning and final R-value of the Insulation and the total square footage of installed insulation
- Completed **Residential Site Built and Multi-Family Insulation Rebate Application** form

A DEC energy efficiency representative will collect required documents at the time of final inspection or you may submit them to:

**Douglas Electric Cooperative  
Attn: Energy Efficiency Rebates  
5605 NE Elam Young Parkway  
Hillsboro, OR 97124  
FAX: 1-503-344-6942  
rebates@esgroupllc.com**

*Participation in this energy efficiency program allows Douglas Electric Cooperative to use your electrical energy consumption history for energy savings research. Your consumption history may be shared anonymously with Bonneville Power Administration for energy savings verification and research.*

**Allow 8–10 weeks after final inspection for rebate processing.**

**Call 1-888-883-9879 to learn about additional energy efficiency programs.**

## RESIDENTIAL INSULATION REBATE PROGRAM Steps to Participation

### 1. PRE-INSTALLATION PROCESS

- Before Insulation Installation:** Contractor must note on the insulation estimate the beginning R-value and the amount of estimated square footage of insulation to be installed. Contractor or member must submit the insulation estimate to Douglas Electric Cooperative prior to insulation installation.

**Site Built & Multi-Family Home Audits May Include:**  Floor  Attic  Wall\*

*\*Wall insulation installed in an open cavity requires photos of before, during and after upgrade(s) to include with rebate application final documents.*

- After the submission of the insulation estimate, you will receive a follow-up letter to confirm that rebate funds have been reserved for your project for three (3) months. Projects not completed within the three-month time period must reapply for rebate funds.
- After the pre-approval process, you can begin to upgrade the insulation in your home or hire a contractor to do the work.

### 2. POST-INSTALLATION INSPECTION

- Call 1-888-883-9879 to request a no-cost final inspection of your newly upgraded insulation. Inspections are scheduled for the beginning and the middle of each month. You will be contacted 2–3 days prior to the inspection with your scheduled date and time. You do not need to be home during the inspection provided there is outside access to all insulation upgrade areas, including crawl space(s) and attic. Please unlock gates and restrain pets before your scheduled inspection.

### 3. REQUEST YOUR REBATE

**ALL DOCUMENTS ARE REQUIRED TO PROCESS YOUR REBATE(S)!** At the time of the final inspection, the utility representative will collect the following required rebate documents:

- Contractor final invoice(s), or your receipt(s) if self-installed, showing beginning and final R-value and total square footage of upgraded insulation
- Completed Residential Site Built and Multi-Family Insulation Rebate Application
- Wall insulation photos, before, during and after installation of the wall insulation

Documents can also be mailed to the address on the rebate application, faxed to 1-503-344-6942, or emailed to [rebates@esgroupllc.com](mailto:rebates@esgroupllc.com).

### 4. RECEIVE YOUR REBATE

You can expect to receive your rebate 8–10 weeks after the final inspection and receipt of all required documentation.

**All work must meet Bonneville Power Administration (BPA) and  
Douglas Electric Cooperative program installation requirements.  
For additional questions, call 1-888-883-9879.**
